Vice Commodore's Message

Donna R. Ferron

The 2021 CBYCA Chartroom Chatter Roster Book documents the challenges that, as I write this, continue to test our organization in both good and bad ways. Perhaps our member clubs feel the same.

Many clubs lost cherished members in 2020 and into the beginning of 2021. Our hearts are filled with the names of family members, club members, and dear friends. Just before our November 2020 Change of Watch CBYCA lost Commodore-Elect Dan Killeen. Rose Marie Knabb-Killeen worked through her grief to ensure that Dan's goal of CBYCA member clubs working together for our common interest of boating on our beautiful waterways continued. Additionally, the entire CBYCA Board of Governors as well as individuals from member clubs stepped up to maintain the forward momentum we began during the successful 2019 summit. My heartfelt thanks go out to all of you.

Some highlights of 2020:

- Began meeting virtually; no meetings were canceled.
- Met more often outside of the regularly scheduled meetings to keep CBYCA moving forward.
- Discovered where the mute button resides on the keyboard.
- Planned and held educational webinars and member club brainstorming sessions.
- Held our first ever virtual Change of Watch.
- Published the annual roster book as an EPUB edition available on our website.
- Incorporated more technology to better serve our member clubs.
- Added website forums to bring visibility to legislative issues and member club activities.

Read our monthly newsletter and check your email for information concerning upcoming CBYCA-sponsored events.

Thank you to Rear Commodore Tom Yanni and everyone who helped continue this tradition of publishing the annual CBYCA Chartroom Chatter Roster Book.

Stay safe,

Donna

Rear Commodore Tom Gianni

I'm thrilled that spring is here, that summer is just around the bend, and that we are starting to come out of the restrictions imposed by COVID. As we move forward we should all remember those that have been impacted by COVID and also to unforeseen, and even expected, loss of family, friends, and members of our boating community.

I write this today thinking of those that have crossed the bar and of those dealing with the aftermaths of loss and illness. My heart is saddened, but my spirit is hopeful that the relationships and bonds built over time in pursuit of our common love of boating will bring encouragement and comfort to each of us.

The CBYCA family experienced loss and illness this past year; but the organization pulled together, shared the load, and has remained strong and effective. We are remembering and honoring our 2021 Commodore-elect, Dan Killeen, and First Lady Rose Marie, by keeping his position vacant and Rose Marie has graciously and unselfishly volunteered to perform the duties of our First Lady.

I want to thank Vice Commodore Donna for pulling the organization together and keeping us focused on improving our effectiveness and ability to support our members and partners. She has worked tirelessly to support CBYCA and to bring me up to speed as both the Rear Commodore and the Editor of the *2021 Roster Issue*. Her efforts and mentorship are truly appreciated. I also want to thank the talented, helpful, and hard-working group that works behind the scenes to make the *Roster Issue* a reality. Treasurer Penny Rhine tracks ads, produces invoices, and sorts out payments. First Lady Rose Marie and Historian Jo Spencer have updated pages across the book and produced the Queen's Section. Past Commodore Gene and Director of State Legislation, PA and DE, Chris Schenck produced and updated a myriad of pages and ads, including the time consuming Map Section. Qualifications Officer Robert Naylor was always available to sort out Data Sheet issues, and to provide helpful advice and counsel. I also want to thank the District Representatives; each of you spent hours encouraging member clubs to get their data updated and complete as possible. The club data is the heart and sole of this effort. A big thanks to our Advertisers and Patrons; without your support the Printed *Roster Issue* would never be a reality. Our printer, NorthStar Family Press, performed numerous additional tasks, including updating the complex Burgee Page. Tim and Noreen were a joy to work with and you can see their professional results for yourself.

As you can tell, producing the *2021 CHARTROOM CHATTER Roster Issue* isn't a solitary task. If you like the results thank the team that put it together. If you happen to find an error please tell me: I alone accept the responsibility for any error and I promise I'll make the proper annotations to try and prevent a repeat.

Get you boats ready and enjoy this year's boating season. I guarantee it will be good for your soul!

Warm Regards,
Tom Gianni

Remembering and Honoring Commodore-Elect Daniel J. Killeen

01.16.1953

11.08.2020

With visionary plans for CBYCA, Dan brought his lifetime of experiences, his passion for boating, and his drive for outcomes to the Association. He could be counted on for a funny joke, a witty insightful saying, and willingness to help others.

Dan was a true friend to many, and a champion for the yachting community. He will always be remembered for his "Million Dreams" and dedication to CBYCA.

Visiting CBYCA Member Clubs
By Robert B. Naylor, Qualifications Officer

Almost all Chesapeake Bay Yacht Clubs Association (CBYCA) Member Clubs with facilities welcome visitors from other CBYCA Member Clubs. We encourage all visitors to be courteous, respectful, and abide by the hosting Club rules and management directions. *Reciprocity is a privilege and may be revoked at the discretion of any club.* Chesapeake Bay Yacht Clubs Association does NOT require reciprocity amongst member clubs.

If asked for proof of CBYCA membership, most Clubs keep a CBYCA roster book handy at the bar or in the office so membership may be easily verified. Also, the Membership list is on our www.CBYCA.org website, both on our “Find A Club Map” and “Member Clubs” pages under the “About Us” main menu. Some Clubs print “CBYCA Member” on their membership cards.

Whether it is one member requesting a slip or a multi-boat club outing, the courtesy amongst Clubs that offer reciprocity is for the Fleet Captain of the visiting Club to contact the Fleet Captain of the host Club as far in advance as possible to inquire about slip availability, facility requirements, and the cost. Clubs generally do not have designated visitor slips. The slips may be owned or rented by Club members first and if they happen to have empty slips those empty slips may be offered to visitors. If a boat from your Club cannot secure a slip with the others, a nearby anchorage where you can dinghy in may be an option. Fleet Captains will have that information.

Before contacting a Club your Fleet Captain should have available:

- Arrival and departure dates (most Clubs may limit you to two nights)
- Arrival and departure times (some Clubs ask that you vacate the slip by a specific time)
- Number of boats requesting slips
- Name of each boat
- Whether power or sail
- Length and draft of each boat
- Whether electricity is required (and how many amps). Some Clubs may charge for power.

If slips are available the Fleet Captain will give further instructions for your arrival; for example by what time you should arrive and who to contact upon arrival. Some Clubs will email their rules prior to your arrival.

You may or may not be assigned slip numbers in advance. You may be given the slip number with instructions to radio the dock master upon your approach. If you get your slip number in advance, it is recommended that you check the Club’s website for a dock map to locate the slip to plan your approach. You might also check Google Maps satellite view.

Visiting boats should take and use their own dock lines, power cords, and water hoses.

After arriving at the Club on the designated day each skipper should immediately check in with the dock master or Fleet Captain if they are not meeting your boat at the dock. At that time ask who and where to pay for the slip if that wasn’t discussed when you made the reservation. Some Clubs may take credit cards, while others may only take cash. Some Clubs require payment upon arrival, others before you leave.

If anything changes (cancelations, added boats, etc.) please contact the Fleet Captain as soon as possible.

If you plan to eat at the host Club’s restaurant, ask the Fleet Captain for appropriate protocols, i.e., dress code, reservations, etc. If you would like to just drive to a Club for a meal, the Club website usually has a restaurant number or at least instructions for making reservations. All Clubs are different as some have on-site paid chefs and others do not.

Some clubs may restrict where alcohol can be consumed on the premises.

WELCOME TO THE FRIENDLIEST YACHT CLUB ON THE BAY!

The Eastern Yacht Club, established in 1956, is located at the mouth of Middle River just off the Chesapeake Bay in Baltimore County, Maryland.

There are 20 spacious acres at our club with plenty of parking and slips to accommodate 72 boats. Our club house facilities can host parties, weddings and events for up to 200 guests.

Our members and their guests enjoy exclusive use of the "Tiki Bar" as well as a private beach which is complete with tables and umbrellas.

Parking for slip holders is located adjacent to the piers and beach area. We have a Gazebo near the waters edge where wedding ceremonies may be performed. EYC has a caterer available to help plan the menu for weddings and other affairs at EYC.

HISTORY AND PURPOSE

Chesapeake Bay Yacht Clubs Association

An inspiration by a patriarch of Maryland yachtsman, the Honorable William (Bill) B. Matthews, Jr., to form an organization of Yacht Clubs in the Chesapeake Bay area led to the founding of the Chesapeake Bay Yacht Clubs Association (CBYCA) on September 25, 1957. On this date, William Shriber, Jr., hosted a meeting in the offices of radio station WFBR, at which, in addition to Bill Matthews, George Wallis, representing Commodore James P. Libertini, Baltimore Yacht Club; Frederick Bergling representing Commodore H. P. White, Bush River Yacht Club; Commodore Austin Sedicum, Maryland Yacht Club; and Commodore Gilbert Quinn, Ventnor Yacht Club, were in attendance. Commodore Tignor, Boumi Temple Yacht Club, though absent, was also a member of the founding group. These individuals, with Miss Harry Wolf, as secretary, formed the steering committee which led to the establishment of the Association. Bill Matthews was elected as its first Commodore.

The CBYCA was founded with three basic objectives:

1. To protect the interests of better boating in the Chesapeake Bay area through legislation;
2. To define and set up standards of recognition for Yacht Clubs in the Chesapeake Bay area and to distinguish between Yacht Clubs completely controlled by the members thereof and those wholly, or partly, controlled by commercial ventures;
3. To act as a liaison and coordinator between Yacht Clubs as to coming events, such as Opening Days and Commodore Balls, and as far as possible, prevent overlap of these type events.

During the ensuing years, CBYCA has provided continuous service to its member Yacht Clubs, and in many respects, to boating, in general, in the Chesapeake Bay area. The CBYCA has a membership of over 100 Yacht Clubs whose collective aggregate membership of more than 85,000 recreational boaters who cruise the Chesapeake Bay area, and whose geographical location includes Maryland, Virginia, Pennsylvania, Delaware, New Jersey, and the District of Columbia. CBYCA was a founder and Charter Member of the National Boating Federation (NBF), and through the NBF, CBYCA participates at the national level in legislative matters affecting recreational boating.

CBYCA also maintains representation on the Maryland Boat Advisory Committee and observers to the Pennsylvania Boat Act Advisory Committee and the New Jersey Boat Regulatory Commission. All proposed legislation affecting recreational boating in these states must be submitted to these respective groups for review and advice before becoming law. CBYCA actively participates at the state levels regarding legislation of interest to recreational boating. As a result of CBYCA efforts, the Boat Act Advisory Committee was legislatively established in the Maryland Boat Act. In addition, CBYCA maintains continuing representation with the following Boating oriented organizations: U.S. Coast Guard, U.S. Coast Guard Auxiliary, and United States Power Squadrons.

In summary, CBYCA is a viable, not for profit, volunteer, Association of Yacht clubs dedicated to the concerns and interests of its Member Clubs, safe boating, quality legislation regarding recreational boating, and the Bay environment. Yacht Clubs located in the Bay area with interest in CBYCA membership should contact: Qualifications Officer Robert B. Naylor, 212 Briar Lane, Carney's Point, NJ 08069; 302-930-2700; or QO@CBYCA.org.

The *Roster Book Issue* of the *Chartroom Chatter* is an official publication of the CBYCA and is issued in April of each year for the use and information of our Member Clubs, Patrons, Advertisers, and Friends of Recreational Boating. For information concerning this publication contact: Rear Commodore Tom Gianni, 337 Dorsey Ave, Morgantown WV 26501; 304-282-1433; or RC@CBYCA.org.

TRADITIONS AND PROTOCOLS

Chesapeake Bay Yacht Clubs Association

Traditions and protocols allow us to run events smoothly, effectively mark special occasions, and provide connection back to our founders and forward to the next generation. To this end, the CBYCA collects, monitors, and exchanges information about traditions and protocols of interest to member clubs. Listed below are answers to commonly asked questions and information that we feel you and your yacht club will find useful.

Captain Protocol: Term for an appointed CBYCA officer, committee, or article concerned with yacht club customs, traditions, practices, and protocols.

Nameplate Etiquette: One of the traditional rules is “right rank”. You wear the collar pin of the office you hold on the right and the corresponding badge. If you are dressed to represent your office as Secretary of XYZ Yacht Club, then your XYZ Yacht Club badge is worn on the right while your CBYCA, Power Squadron, PRYCA, CCC, DRYL, etc. badges are worn on the left. If you wear more than one badge on the right side, the badge corresponding to the office you are representing should be the highest. Badges should be worn above pockets.

Flags: There are variations but the main rule to remember is the “right rank” rule. So what rank is right for your boat? It is the one that corresponds to the “official” burgee flown at the bow (power only) or masthead (sail or power). Sailboats may also fly the boat’s “official” burgee on a Starboard hoist. For detailed flag guidance, there are many good references such as *CHAPMANS* and the U.S. Power Squadrons guide.

Uniforms and Attire: In addition to guidance found elsewhere in this book, keep the following pointers in mind:

- **Shorts:** Should have belt loops and pockets and be worn with a white uniform belt and buckle. An exception to this is that men may wear long pants while women wear shorts or skirts. However, on such an occasion, the women should match each other (i.e. shorts OR pants OR skirts – no mixing).
- **Skirts:** For women, skirts are always appropriate and are preferred for formal occasions with ankle length skirts worn for the most formal occasions.
- **Uniform of the Day:** Your Commodore or senior officer attending determines your club uniform of the day and should ensure that your club wears attire that is appropriate and respectful. Except when an individual is dressed to match the uniform of another organization, your club representatives should match each other to the maximum extent practical.

TRADITIONS AND PROTOCOLS

Chesapeake Bay Yacht Clubs Association

Honor Guard Salute in Group: Only the senior person in the group returns the honor guard salute. The individuals passing through form a unit representing their organization – the senior person acts on behalf of the unit (e.g. like an army platoon leader saluting on behalf of his platoon). This interpretation is also consistent with the commonly practiced yacht club custom that only the senior officer salutes the bridge while the rest of the group lines up, followed by a step forward out of formation where each individual salute when introduced and recognized.

Coming Aboard and Rendering Honors: Another yacht club custom (often used for Opening Day/Flag Raising), which reflects nautical and naval traditions, is the approach to the Bridge to render honors. The speakers stand, usually near the yardarm when outdoors, represents the Bridge (or Quarterdeck) of the host club where the Officer of the Deck (OOD) is standing watch. The senior officer of the group leads the salute with the words “XYZ Yacht Club, Hand Salute”. The group salutes in unison on the word “salute”. The senior officer then says “Ready, two” On the word “two” the group drops salute, turns, and always follows the Commodore or senior officer off the quarterdeck. The Commodore or senior officer will usually lead the group toward a VIP seating area or toward the beverage cooler, where the host club has refreshments available, especially on hot days.

Precedence of Past Commodores: Line up and introduce oldest to newest. The Immediate Past Commodore (IP/C) should be last. However, many clubs introduce the IP/C after current officers because the IP/C is a current Board Member.

Club Operation Pointers:

For any corporation, club, or society (as defined by *Robert's Rules of Order*) the By-Laws must always be followed. Your meetings are governed by *Robert's Rules of Order*. *Robert's* puts down in writing the rules people have adopted over centuries to ensure an open, fair, impartial, democratic, courteous and organized meeting where all are heard.

In terms of precedence, your Organizational By-Laws come first, then rules properly passed and recorded by the membership or body authorized by the By-Laws or membership (e.g. Board of Governors), and finally *Robert's*.

The By-Laws define the club and are its identity – for a typical club, they can only be changed by rigorous process with the changes passed only by 2/3 majorities. Any club that ignores its By-Laws or whose Board or officers act with impunity against the will of the majority is not operating in a manner consistent with CBYCA By-Laws.

GUIDE TO YACHTING UNIFORMS

Chesapeake Bay Yacht Clubs Association

There are no uniform requirements for officers of Member Clubs in the Chesapeake Bay Yacht Clubs Association (CBYCA). It is a common practice, however, that for those occasions where a uniform is appropriate and a Member Club Officer chooses to wear a uniform in lieu of civilian attire, he or she wears the traditional, customary and generally accepted uniform recognized by yacht clubs in the United States and other countries.

The uniform for yacht club officer is described on these pages for informational purposes only. The uniform is worn by the twenty Officers of the Association for those occasions where a uniform is appropriate.

There are three uniforms namely WHITE (generally for summer), BLACK or NAVY BLUE (generally for winter) and BLUE/WHITE (generally for spring and fall and sometimes called "Salt and Pepper"). Traditionally, the Commodore specifies the Uniform of the Day.

White Summer Uniform Black (or Navy Blue) Winter Salt & Pepper

White Summer Uniform:

Uniform cap, short sleeve white shirt with insignia's, open collar, white slacks for men, women have a choice of slacks or skirt, white webbed belt with club buckle, white socks and white boating shoes.

Black (or Navy Blue) Winter Uniform:

Uniform cap, plain white shirt with no insignia, four-in-hand black tie, uniform coat with insignia, slacks to match, women have the choice of slacks or skirt, black belt, black socks and black shoes.

Salt/Pepper:

Uniform cap, plain white shirt with no insignia, four-in-hand black tie, uniform coat with insignia, white slacks (women have a choice of slacks or skirt), white web belt with club buckle, white socks and white boating shoes.

For those occasions where formal attire is appropriate, a black bow tie is worn instead of the four-in-hand black tie. Women may wear a long skirt.

Epaulets:

Many clubs utilize epaulets to increase visibility and identify Officers and Past Commodores. Epaulets are worn on the shoulders of Whites and Black Sweaters.

Black Yacht Club Sweaters:

In many clubs, officers wear black uniform sweaters to casual events or meetings in lieu of dress uniforms. Name badges and epaulets can be worn on sweaters. Khakis or black trousers can be specified by ranking officer.

SPECIFICS

Cap:

Regulation yachting cap with white top, black, gold, or silver yachting braided line, AKA rope with matching black, gold, or silver buttons, fouled anchor device over plain black visor with club burgee button in center and gold officers insignia (silver for past commodore). The lady officer's hat is Navy Lady Style with yachting braid. The yachting cap braids should not be confused with the gold chin strap worn by U.S. Navy Officers and Midshipmen or the black chin straps worn by the U.S. Navy Chief Petty Officers. Such straps should not be worn with yacht club uniforms. When selecting yachting braid for caps, silver is always reserved for Past Commodores. The line between black and gold braid may vary from club to club with some clubs electing not to use gold (or silver) at all. Typically, when used, gold is reserved for Officers, particularly Flag Officers. In such cases, Club Members, Board Members, and certain Junior Officers in uniform would wear the black braid.
