A Message From The Commodore Donna R. Ferron

The annual Roster Book edition of the Chesapeake Bay Yacht Clubs Association *Chartroom Chatter* is a compilation of all member clubs and partners who boat and socialize on the Chesapeake Bay and Delaware River. Each club has its own unique atmosphere, mission, and history. Because of that, amongst the 100+ clubs listed in this book, there is a place for everyone.

Thank you to all the member clubs and associations for your continued support of CBYCA. Thank you to the member club Delegates who attend the quarterly meetings and who offered suggestions for making CBYCA better and in a position to embrace future changes and growth.

Thank you to the sponsors, corporate, club, and personal, who helped make this book available.

A final thank you to the CBYCA Board of Governors and appointed members who keep the Association running behind the scenes.

I'd like to send a shout out to Spring Cove Marina in Rock Hall, MD. Reciprocity is sometimes difficult when clubs do not have their own facilities. Spring Cove Marina, a privately owned commercial marina and home to many of the Bay Region Mariners Sailing Association members allowed other CBYCA member club boaters to stay at reduced rates. Thank you for extending that courtesy.

A Message From The Rear Commodore

Robert B. Naylor

Wow, what a year, and really two years! First, let me apologize for the delay in getting this book finally out to everyone. At the end of the day, it is the Rear Commodore's responsibility, and last year I worked with the Rear Commodore to do a lessons learned for challenges that we hoped to avoid this year. I think the saying is, "what man plans, God unplans!" This year I think we had more unexpected situations than with COVID. I won't get into all the details, as they won't impact next years book, with one exception, Club data accuracy. This year, we started looking at the number of Clubs that updated their data, and it was much less than we thought would be useful to publish earlier. Hopefully, this will be something we can focus on earlier to ensure we have the most up to date Club information possible.

Thinking back over the past year, we have had so many personal tragedies in our boating community, including in CBYCA. We have a few CBYCA members that have crossed the bar, and other with loss and illness. My personal situation with Long COVID made it necessary for more of my CBYCA mates to actively help put this years roster book together. It was more than just "help" the Commodore, Vice Commodore, the Roster Book Team, and the Communications team all did the heavy lifting in the areas I was unable. It is amazing as Americans, and as our boating community, and as CBYCA members, how we all pull together in times of need. Thank you is simply not sufficient to express my gratitude for all everyone has done.

We are blessed to have a strong and dedicated CBYCA Bridge. Our Commodore, Donna Ferron, has taken on enormous responsibility for two years now, and always available and gracious. I will miss our conversations, especially about the various ideas and activities we could be doing going forward. Our Vice Commodore, Tom Yanni, is another incredible member of our team with his unwavering support of our Clubs, and dedication to ensuring that we keep the connections to our member Clubs strong. He can always be counted on to represent CBYCA at Club events, even when it means driving more than 6 hours to be there. Our Treasurer, Penny Rhine, does so much to keep us financially solid and on track, but with the Roster Book, she adds even more with her tracking of ads, managing invoices, and of course managing payments from credit cards and checks. Penny is an invaluable part of our Bridge that does an amazing job each year! Our Past First Lady, Rose Marie Killeen, and our Historian, Jo Spencer, have been responsible for beautiful pages we have with the Queens and Princesses, as well as helping throughout various sections of the book. Both of these wonderful teammates have been dealing with so much loss and tragedy over the past two years, that I am always amazed how well they manage, but they do with a smile. I would be remiss if I forgot to mention all the help, not just with the Roster Book, but throughout the year from our Past Commodores and our Legislation Directors, especially Gene and Chris Schenck for their commitment and dedication to quality throughout.

I would like to personally thank our Advertisers and Patrons for their support, for without it, we would not be able to provide this book in a printed format. Our printer, NorthStar Family Press has been there for several years before, and this year was no exception. They had some unexpected challenges this year, but fortunately, we were able to work together to get this to you.

P/C LINTON E. KILMON JR. MEMORIAL AWARD

It was a great honor to present the Past Commodore Linton E. Kilmon Jr. Memorial Award for 2022 to Past First Lady Deb Noon at the 2022 Chesapeake Bay Yacht Clubs Association's Commodore's Ball at Corinthian Yacht Club.

Deb has worked diligently to support the goals and objectives of CBYCA for many years. She worked tirelessly directly supporting CBYCA during Past Commodore Kevin Noon's (2009) tenure on the CBYCA Board and she has continued to participate and lead when and where ever asked. She is a Past Commodore of Bush River Yacht Club , remains active in the Club, and remains closely involved with the Yachting Community as a whole. Thank you Deb!

Vice Commodore Tom Gianni

In Memory of P/C Frederick J. Levitan

January 1, 1928 - August 5, 2021

Past Commodore Fred Levitan (CBYCA 1989) was born in Fitchburg Massachusetts and graduated from Fitchburg High School in 1946. He enlisted in the Army Air Corps and was stationed in Japan during the post-WWII occupation. He graduated from Nichols College in Boston in 1950, moved to Baltimore, was married, and raised two daughters.

An avid boater, P/C Fred was active in several yacht clubs including Maryland Yacht Club, Sparrows Point Yacht Club, and most recently Middle River Yacht Club and Veterans Yacht Club Association. He owned several sailboats that he used to sail the Chesapeake Bay for almost 40 years, and was a founding member of Singles on Sailboats in Annapolis.

P/C Fred enjoyed an active life, and served on the Maryland Boat Advisory Committee for over 20 years and was engaged in his local community. He was known across every organization for his terrific sense of humor and willingness to help others.

P/C Fred is missed and fondly remembered by all of us lucky enough to have known him!

Best Wishes for an Enjoyable and Safe Boating Season

PARTNER PROGRAM

One of the primary purposes of the CBYCA is to protect the interests of boaters through legislation and interaction with national, state and local boating and waterway organizations, public and private. To this end, we have forged a "Legislative Confederation" that has broadened the powers base, strengthened the boater's voice and offered the opportunity for more people to participate. We commend our partners for their commitment to work together on mutually beneficial issues.

P/C Joseph Coleman Livingston

November 30, 1942 - March 4, 2022

Past Commodore Joe Livingston (Potomac River Yacht Clubs Association and Occoquan Yacht Club) was raised on Lake Erie where his love of boating and the water was first cultivated. After graduating from Bowling Green State University, he was commissioned as a Second Lieutenant in the US Army, and married Gail on June 20, 1964. They have three children; Kristin Ann Coron, Jay Foster Livingston, and Keith Warren Livingston.

P/C Joe served two years in Vietnam flying aerial reconnaissance missions as an Intelligence Officer and retired from the Joint Chiefs of Staff, the Pentagon, as a Lieutenant Colonel with 28 years of service. P/C Joe then enjoyed a successful and gratifying second career as a life insurance agent with New York Life.

P/C Joe and Gail spent several years cruising the Occoquan and Potomac Rivers, and the Chesapeake Bay on the Gail Lynn and Gail Lynn II. Through their yachting adventures they met many hearty souls, made great friends, and floated into amazing ports. Joe's natural ability to lead landed him on several boards; including the Occoquan Yacht Club, the Potomac River Yacht Clubs Association, the Occoquan River Maritime Association, and the Chesapeake Bay Yacht Clubs Association where he served as the District K Representative for Yacht Clubs in the Virginia, Mid-Potamic River region.

P/C Joe will always be remembered in our hearts as a patriot, leader, and friend!

Visiting CBYCA Member Clubs
By Robert B. Naylor, Rear Commodore

Almost all Chesapeake Bay Yacht Clubs Association (CBYCA) Member Clubs with facilities welcome visitors from other CBYCA Member Clubs. We encourage all visitors to be courteous, respectful, and abide by the hosting Club rules and management directions. *Reciprocity is a privilege and may be revoked at the discretion of any club.* Chesapeake Bay Yacht Clubs Association does NOT require reciprocity amongst member clubs.

If asked for proof of CBYCA membership, most Clubs keep a CBYCA roster book handy at the bar or in the office so membership may be easily verified. Also, the Membership list is on our www.CBYCA.org website, both on our "Find A Club Map" and "Member Clubs" pages under the "About Us" main menu. Some Clubs print "CBYCA Member" on their membership cards.

Whether it is one member requesting a slip or a multi-boat club outing, the courtesy amongst Clubs that offer reciprocity is for the Fleet Captain of the visiting Club to contact the Fleet Captain of the host Club as far in advance as possible to inquire about slip availability, facility requirements, and the cost. Clubs generally do not have designated visitor slips. The slips may be owned or rented by Club members first and if they happen to have empty slips those empty slips may be offered to visitors. If a boat from your Club cannot secure a slip with the others, a nearby anchorage where you can dinghy in may be an option. Fleet Captains will have that information.

Before contacting a Club your Fleet Captain should have available:

- Arrival and departure dates (most Clubs may limit you to two nights)
- Arrival and departure times (some Clubs ask that you vacate the slip by a specific time)
- Number of boats requesting slips
- Name of each boat
- Whether power or sail
- Length and draft of each boat
- Whether electricity is required (and how many amps). Some Clubs may charge for power.

If slips are available the Fleet Captain will give further instructions for your arrival; for example by what time you should arrive and who to contact upon arrival. Some Clubs will email their rules prior to your arrival.

You may or may not be assigned slip numbers in advance. You may be given the slip number with instructions to radio the dock master upon your approach. If you get your slip number in advance, it is recommended that you check the Club's website for a dock map to locate the slip to plan your approach. You might also check Google Maps satellite view.

Visiting boats should take and use their own dock lines, power cords, and water hoses.

After arriving at the Club on the designated day each skipper should immediately check in with the dock master or Fleet Captain if they are not meeting your boat at the dock. At that time ask who and where to pay for the slip if that wasn't discussed when you made the reservation. Some Clubs may take credit cards, while others may only take cash. Some Clubs require payment upon arrival, others before you leave.

If anything changes (cancelations, added boats, etc.) please contact the Fleet Captain as soon as possible.

If you plan to eat at the host Club's restaurant, ask the Fleet Captain for appropriate protocols, i.e., dress code, reservations, etc. If you would like to just drive to a Club for a meal, the Club website usually has a restaurant number or at least instructions for making reservations. All Clubs are different as some have on-site paid chefs and others do not.

Some clubs may restrict where on the premises alcohol can be consumed.

WELCOME TO THE FRIENDLIEST YACHT CLUB ON THE BAY!

The Eastern Yacht Club, established in 1956, is located at the mouth of Middle River just off the Chesapeake Bay in Baltimore County, Maryland.

There are 20 spacious acres at our club with plenty of parking and slips to accommodate 72 boats. Our club house facilities can host parties, weddings and events for up to 200 guests.

Our members and their guests enjoy exclusive use of the "Tiki Bar" as well as a private beach which is complete with tables and umbrellas.

Parking for slip holders is located adjacent to the piers and beach area. We have a Gazebo near the waters edge where wedding ceremonies may be performed. EYC has a caterer available to help plan the menu for weddings and other affairs at EYC.

CBYCA YACHT CLUB TRADITIONS AND PROTOCOLS

Traditions and protocols allow us to run events smoothly, effectively mark special occasions, and provide connection back to our founders and forward to the next generation. To this end, the CBYCA collects, monitors, and exchanges information about traditions and protocols of interest to member clubs. Listed below are answers to commonly asked questions and information that we feel you and your yacht club will find useful.

Captain Protocol: Term for an appointed CBYCA officer, committee, or article concerned with yacht club customs, traditions, practices, and protocols.

Nameplate Etiquette: One of the traditional rules is “right rank”. You wear the collar pin of the office you hold on the right and the corresponding badge. If you are dressed to represent your office as Secretary of XYZ Yacht Club, then your XYZ Yacht Club badge is worn on the right while your CBYCA, Power Squadron, PRYCA, CCC, DRYL, etc. badges are worn on the left. If you wear more than one badge on the right side, the badge corresponding to the office you are representing should be the highest. Badges should be worn above pockets.

Flags: There are variations but the main rule to remember is the “right rank” rule. So what rank is right for your boat? It is the one that corresponds to the “official” burgee flown at the bow (power only) or masthead (sail or power). Sailboats may also fly the boat’s “official” burgee on a Starboard hoist. For detailed flag guidance, there are many good references such as *CHAPMANS* and the U.S. Power Squadrons guide.

Uniforms and Attire: In addition to guidance found elsewhere in this book, keep the following pointers in mind:

- **Shorts:** Should have belt loops and pockets and be worn with a white uniform belt and buckle. An exception to this is that men may wear long pants while women wear shorts or skirts. However, on such an occasion, the women should match each other (i.e. shorts OR pants OR skirts – no mixing).
- **Skirts:** For women, skirts are always appropriate and are preferred for formal occasions with ankle length skirts worn for the most formal occasions.
- **Uniform of the Day:** Your Commodore or senior officer attending determines your club uniform of the day and should ensure that your club wears attire that is appropriate and respectful. Except when an individual is dressed to match the uniform of another organization, your club representatives should match each other to the maximum extent practical.

Honor Guard Salute in Group: Only the senior person in the group returns the honor guard salute. The individuals passing through form a unit representing their organization – the senior person acts on behalf of the unit (e.g. like an army platoon leader saluting on behalf of his platoon). This interpretation is also consistent with the commonly practiced yacht club custom that only the senior officer salutes the bridge while the rest of the group lines up, followed by a step forward out of formation where each individual salute when introduced and recognized.

Coming Aboard and Rendering Honors: Another yacht club custom (often used for Opening Day/Flag Raising), which reflects nautical and naval traditions, is the approach to the Bridge to render honors. The speakers stand, usually near the yardarm when outdoors, represents the Bridge (or Quarterdeck) of the host club where the Officer of the Deck (OOD) is standing watch. The senior officer of the group leads the salute with the words “XYZ Yacht Club, Hand Salute”. The group salutes in unison on the word “salute”. The senior officer then says “Ready, two” On the word “two” the group drops salute, turns, and always follows the Commodore or senior officer off the quarterdeck. The Commodore or senior officer will usually lead the group toward a VIP seating area or toward the beverage cooler, where the host club has refreshments available, especially on hot days.

Precedence of Past Commodores: Line up and introduce oldest to newest. The Immediate Past Commodore (IP/C) should be last. However, many clubs introduce the IP/C after current officers because the IP/C is a current Board Member.

Club Operation Pointers:

For any corporation, club, or society (as defined by *Robert’s Rules of Order*) the By-Laws must always be followed. Your meetings are governed by *Robert’s Rules of Order*. *Robert’s* puts down in writing the rules people have adopted over centuries to ensure an open, fair, impartial, democratic, courteous and organized meeting where all are heard.

In terms of precedence, your Organizational By-Laws come first, then rules properly passed and recorded by the membership or body authorized by the By-Laws or membership (e.g. Board of Governors), and finally *Robert’s*.

The By-Laws define the club and are its identity – for a typical club, they can only be changed by rigorous process with the changes passed only by 2/3 majorities. Any club that ignores its By-Laws or whose Board or officers act with impunity against the will of the majority is not operating in a manner consistent with CBYCA By-Laws.

Guide to Yachting Uniforms

There is no Uniform requirements for Officers of Member Clubs in the Chesapeake Bay Yacht Club Association. It is a common practice however, that for those occasions where a Uniform is appropriate, and a Member Club Officer chooses to wear a Uniform, in lieu of civilian attire, he or she wears the traditional, customary and generally accepted Uniform recognized Yacht Clubs in the United States and other countries.

The Uniform for Yacht Club Officer is described on these pages for informational purposes only. The Uniform is worn by the twenty Officers of the Association for those occasions where a Uniform is appropriate.

There are three Uniforms, namely WHITE (generally for Summer), NAVY BLUE OR BLACK (generally for Winter and BLUE/WHITE (generally for Spring and Fall, sometimes called "Salt and Pepper"). Traditionally the Commodore specifies the uniform of the Day.

White summer uniform

Navy Blue/Black Winter

Salt & Pepper

White - Uniform cap, short sleeve shirt with insignia, open collar, white slacks (women have a choice of slacks or skirt) white web belt with club buckle, white socks and white boating shoes.

Black (Or Navy Blue) - Uniform cap, plain white shirt with no insignia, four-in-hand black tie, uniform coat with insignia, slacks to match (women have a choice of slacks or skirt) black belt, black socks and black shoes.

Salt/Pepper - Uniform cap, plain white shirt with no insignia, four-in-hand black tie, uniform coat with insignia, white slacks (women have a choice of slacks or skirt) white web belt with club buckle, white socks and white boating shoes.

Note: For those occasions where formal attire is appropriate, a black bow tie is worn instead of the four-in-hand black tie. Women may wear a long skirt

Epaulets: Many clubs utilize epaulets to increase visibility and identity of officers and Past Commodores. Epaulets are worn on the shoulders of Whites and Black Sweaters.

Black Yacht Club Sweaters

In many clubs, officers wear black uniform sweaters to casual events or meetings in lieu of dress uniforms. Name badges and epaulets can be worn on sweaters. Khakis or black trousers can be specified by ranking officer.

Specifics:

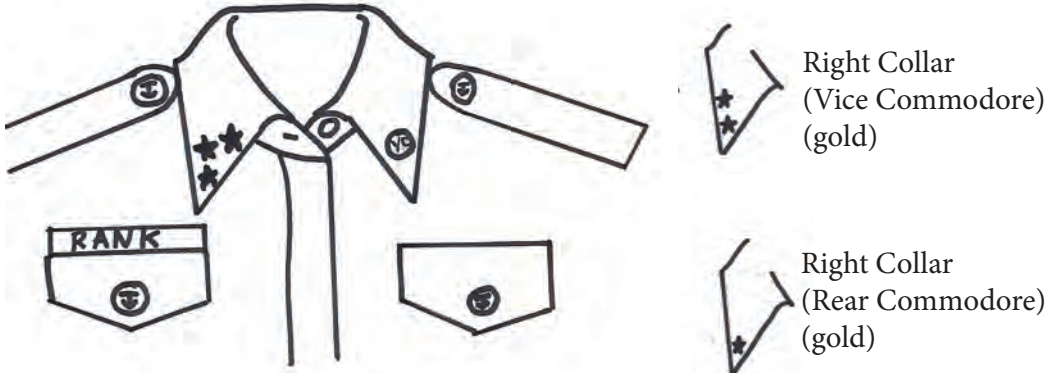

Cap: Regulation yachting cap with white top, black, gold, or silver yachting braided line, AKA rope, with matching black, gold, or silver buttons, fouled anchor device, over plain black visor, with club burgee button in center and gold Officers insignia (silver for past commodore). The lady officer's hat is Navy Lady Style with yachting braid. The yachting cap braids should not be confused with the gold chin strap worn by U.S. Navy Officers and Midshipmen or the black chin straps worn by the U.S. Navy Chief Petty Officers. Such straps should not be worn with yacht club uniforms. When selecting yachting braid for caps, silver is always reserved for Past Commodores. The line between black and gold braid may vary from club to club, with some clubs electing not to use gold (or silver) at all. Typically, when used, gold is reserved for Officers, particularly Flag Officers. In such cases, Club Members, Board Members, and certain Junior Officers in uniform would wear the black braid.

Summer Shirt: Short sleeve white shirt with shoulder straps and two pockets. Brass buttons showing anchors in button holes of shoulder straps and pockets.

Uniform Coat: Double breasted Navy Blue or Black with black buttons showing anchors.

Tie: Navy Blue or Black. Women wear Navy Lady Style.

Summer White Shirt insignia:

Commodore - gold stars
 Past Commodore - silver stars
 (gold name badge with rank above right pocket)
 (club burgee pin on left collar)

Fleet Captain = gold anchor
 Secretary = gold maple leaf
 Treasurer - gold oak leaf or acorn

FLEET CAPTAIN

SECRETARY

TREASURER

Navy Blue/Black Winter uniform insignia: Officer rank is identified by insignia on the sleeves of the winter uniform. Stars and other officer insignia are sewn inside the loops of the braided bands. Most recently, uniform braid bands are all added when the uniform is purchased. Commodores of any level wear gold stars. Past Commodores wear silver stars

Past Commodores = silver stars
 Fleet Captain = gold anchor
 Secretary = gold maple leaf
 Treasurer - gold oak leaf or acorn

LADIES UNIFORM CAP

CBYCA UNIFORM INSIGNIA

Officers of CBYCA wear the same basic uniform as the Yacht Club Uniform as described above. However to distinguish CBYCA Officers, sleeve and collar insignia (with the exception of the Qualifications Officer, Secretary, and Treasurer) will be enclosed in a gold or silver wreath, as appropriate. CBYCA Officer insignia and the CBYCA Delegate Pin are described on the next page.
